12. (Confidential - LLM) Bill Hogan, Counsel, House Armed Services Committee, called to request an intelligence briefing for the Special Subcommittee on Intelligence commencing at 1030 hours, 25 July, to cover Somalia and other critical areas.

Mr. Hogan will raise with Frank Slatinshek, Chief Counsel of the Committee, tomorrow the Committee's interest in the Agency providing a briefing on the intelligence stake in [redacted] 25X1

Mr. Hogan discussed the possibility of the need for the Agency to provide recent GAO reports on the sale or liquidation of Agency ~~properties~~ ~~securities~~ for forwarding to Chairman Jack Brooks (D., Texas), House Government Operations Committee, in response to his request. The alternative of Mr. Brooks' review of these reports, which are in the custody of the House Armed Services Committee, has apparently not received strong support, although suggested by Mr. Hogan. 25X1A

13. (Internal Use Only - LLM) [redacted] NARCOG, called to advise of the interest of John Warner, of DEA, in incorporating in reply to a congressional request some of the contents of the Agency's report to Senator Charles H. Percy (R., Ill.) on the [redacted] case. Later [redacted] indicated that the issue had been moved as DEA was going to use the contents of Justice's statement on the case. [redacted] is getting a copy of the reply, which apparently is based on the work of a Mr. Finney, of Justice. 25X1A

14. (Unclassified - DFM) Accompanied [redacted] of OCI, and Mr [redacted] to a general background briefing on Panama before the Subcommittee on Panama Canal, House Committee on Merchant Marine and Fisheries. The meeting was held in the office of the Chairman, Representative Ralph H. Metcalfe (D., Ill.) (see Memorandum for the Record). Terry Modglin, Clerk to the Committee, called less than an hour before the briefing was to begin with a request that two additional staff members be permitted to attend the briefing. Both of the staff members had security clearances, but one was a personal staff aide of Representative Metcalfe. I explained that we would have no objection to the additional Committee staff member attending (Ernest Carrodo, Chief Counsel to the full Committee), but that it was longstanding Agency policy to discourage the attendance of personal staff members. Modglin felt this would not cause any problem.
